Exam preparation Module 1: Background to language teaching 1 hour 20 minutes This module tests candidates' knowledge of terms and concepts common in English language teaching. It also focuses on the factors underpinning the learning of English and knowledge of the range and functions of the choices teachers have at their disposal to cater for these learning factors. The test is divided into three parts: Describing language and language skills (40 questions) Background to language learning (15 questions) Background to language teaching (25 questions) Module 2: Lesson planning and use of resources for language teaching 1 hour 20 minutes This module focuses on what teachers consider and do while planning their teaching. It also considers the linguistic and methodological reference resources that are available to guide teachers in their lesson planning. The test is divided into two parts: Planning and preparing a lesson or a sequence of lessons (40 questions) Selection and use of resources (40 questions) Module 3: Managing the teaching and learning process 1 hour 20 minutes This module tests teachers' knowledge of what happens in the classroom in terms of the language used by the teacher or learners, the roles the teacher can fulfil, and the ways in which the teacher can manage and exploit classroom events and interactions. The test is divided into two parts: Teachers' and learners' language in the classroom (40 questions) Classroom management (40 questions) CLIL Content and Language Integrated Learning 1 hour 20 minutes TKT: CLIL tests knowledge of the aims and rationale of a CLIL approach. It covers the planning, teaching and assessment of CLIL. It also focuses on teachers' awareness of learning demands and support strategies for learners in CLIL programmes. The test is divided into four parts: Knowledge of the principles of CLIL Lesson preparation in a CLIL context Lesson delivery Assessment. YL Young Learners – 1 hour 20 minutes TKT: YL is an exam for teachers and classroom assistants who want to teach English to young learners. It tests knowledge of concepts related to young learner learning and development, and knowledge of young learners from a teaching perspective, including the planning, teaching and assessment of young learners' work. The test is divided in four parts: Learning and development Planning lessons Teaching strategies Classroom-based assessment TKT handbooks for teachers You can download all the TKT handbooks with information on each exam, assessment criteria, sample tests and answer keys.
